Custom Program

Work with our in-house design team to create a one-of-one finish package. This packet documents your exterior + upholstery selections for production review and approval.

Included in this packet:

- Exterior Color Layout
- Upholstery Color Layout
- Upholstery Swatch Library

Choose. Approve. Build.

Complete the selections on and return the signed packet. Custom orders are subject to design review and may affect pricing and delivery timing. Changes requested after sign-off may require a change order.

Colors shown are digital renderings and may vary by screen and lighting. Final production materials/colors are per WaterCar approved standards.

Reference Color Palette

Select a color code below. All RAL, PPG, automotive & manufacturer codes accepted. Custom and color-shift finishes available upon request.
