Color Placement Guide

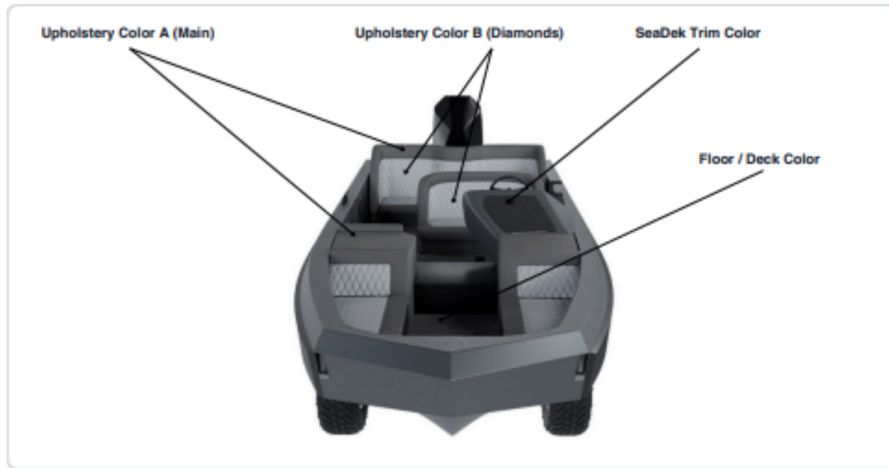

Diagrams indicate where each color selection is applied to your 2026 WaterCar EV.

Color Placement Diagram

Upholstery Placement Diagram

Arrows indicate where each selection is applied. Write final material/color names and codes in the table below.

Notes: Write your final material/color names and codes on the order form. Arrows in the diagrams indicate where each selection is applied.

- **Exterior / Inner Jam Color** — painted body panels and inner jam surfaces
- **Bottom of Outer Hull Color** — underside hull finish
- **Upholstery Color A (Main)** — primary seat and pad material
- **Upholstery Color B (Diamonds)** — diamond-stitch accent material
- **SeaDek Trim Color** — non-slip EVA foam deck trim
- **Floor / Deck Color** — deck surface finish
- **SeaDek Side Bumper** — optional add-on in Black or Grey
